## **HATC Definition of Substantial Deviation and Significant Change or Modification**

### **Substantial deviation:**

The following actions would be considered a substantial deviation from the 5-year plan:

- Change to the target population included in the adopted plan.
- Decisions to change the process for accepting applications to the Rental Assistance Voucher Program
- Decision to change Priority or Preference Criteria for the Rental Assistance Programs

It will not be considered a substantial deviation from the plan:

- To choose another course of action not specifically spelled out in the plan to meet the established goals
- To meet goals of the program to assist low- and moderate-income population in a manner not discussed in the adopted plan.
- To increase or decrease the Payment Standard (PS) (within budget authority) based on, (1) in the case of an increase to the PS, unforeseen increases in rents or inability of tenants to rent units within the program rules or (2) in the case of decreases to the PS, reductions in the budget authority awarded by HUD.
- To make modifications to the Administrative Plan which improve the access to the program by applicants and participants or clarification of new issues in order to provide a consistent implementation of the rules.
- To incorporate new procedures brought about by new regulations or clarification of regulations by HUD.
- To make changes to parts of the plan, which are found to be inconsistent with regulations.
- To make changes required by statute or regulation that need to take place before a consultative process can take place.
- Changes in the Standard Operating Procedures that do not involve policy decisions.

### **Significant change or modification:**

A significant change or modification is defined as discretionary changes in the plan or policies of the housing authority that fundamentally changes the mission, goals, objectives or plans of the agency which require the formal approval of the Board of Commissioners.

Other similar circumstances will be treated as defined above. Those items which are considered a substantial deviation would require Board Approval at a Regular Meeting of the Housing Authority Board of Commissioners and submission to HUD at the next annual submission, where a report will be given of policies changed since the last submission of the Plan. Where feasible on discretionary issues, the HATC will make an effort to consult with the Participant Advisory Committee prior to bringing the issue to the Board.

*Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the \_\_\_ 5-Year and/or x Annual PHA Plan, hereinafter referred to as "the Plan", of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the PHA fiscal year beginning <sup>2023</sup>\_\_\_\_\_, in connection with the submission of the Plan and implementation thereof:*

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located (24 CFR § 91.2).
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments (AI) to Fair Housing Choice, or Assessment of Fair Housing (AFH) when applicable, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA provides assurance as part of this certification that:

- The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
  - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
  - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
  - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
